*For over a century, railroads rushed fresh milk and cream from trackside collection points to city bottling plants. Sterling Consolidated Dairy brings you a complete set of kits in one package to re-create this exciting industry on your layout, including a Bottling Plant/Condensary, Rural Creamery, Dairy Store, Water Tower and accessories.*

*Easily Customized to Meet the Needs of Your Railroad*

*With decals for a wide range of businesses and industries, it's easy to build a unique trackside industry. Just combine kits to build a single complex, mix and match models for smaller operations or use them as freestanding structures anywhere on your layout!*
