

H0 Scale Structure Kit
TRANSLOAD MOBILE OFFICE
933-4188

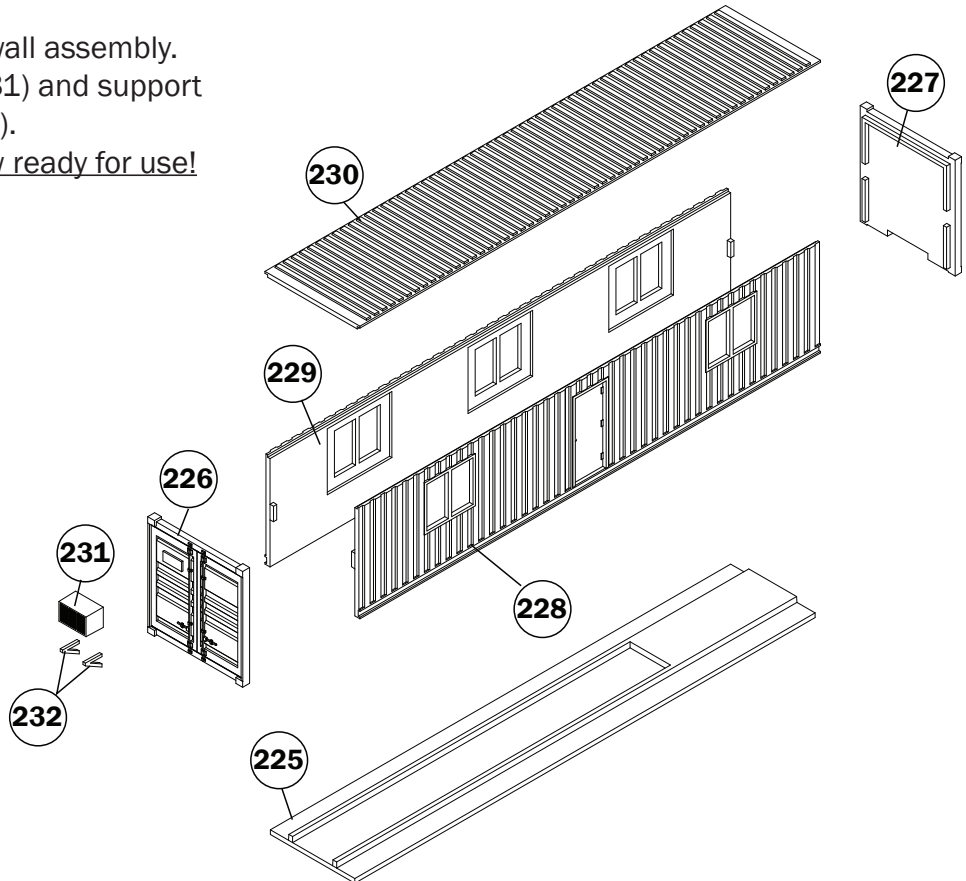

Thank you for purchasing this Cornerstone Series kit. Please study the instructions and drawings before starting. All parts are styrene plastic, so use compatible glue and paint to assemble your model.

Modern shipping has created a glut of containers and resourceful people have put them to use in a variety of ways. This modern-era structure is built from a shipping container. It can serve as a mobile office for many industrial settings and even trackside as a crew facility.

ASSEMBLY

1. Cut the clear material provided to fit the windows and glue into place.
2. Assemble the walls (226-229) by gluing them to the base (225).
3. Glue the roof (230) to the wall assembly.
4. Glue the air conditioner (231) and support brackets (232) to wall (226).

Your mobile office is now ready for use!
