949-4256

PLEASE NOTE: The Storage Racks may be assembled as six Single or four Double Wide units, or a combination of both styles. Each assembly requires a minimum of two Racks (55), one each at top and bottom, if you wish to store larger items (sold separately). Optional "Wire" Decking (56) is provided to hold smaller items (sold separately) on each shelf. Refer to the drawings; assembly is identical, but Double Wide versions use three Racks as shown. Note the small pins at each corner on the Rack; align with openings in Support Posts (54) with C-shaped end on outside of each Post and glue in place.
